Track Area Layout

This is how we would like the track area setup. We would like everyone pitting together to create a great atmosphere, and no cars to be parked in the gated area (Trailers are accepted) all cars to be parked on the north and east fences after you drop your gear off.

Tables, Chairs and Shelter will be provided competitors travelling a great distance.

Due to council regulations no smoking to take place in the pit area, near to fence and inside the fence.

If you would like to stay at track during the event this is accepted please contact us on morcc@hotmail.com.au
