***Heats & Finals:**

1. Drivers are to be randomly graded into evenly numbered heats with a maximum of 8 cars per heat, i.e. 16 entries, 2 heats of 8.
2. 2 x staggered start qualifying heats will be run to determine qualifying order for 1st final.
3. There will be 6 finals; maximum number of drivers per final will be 8, & all drivers will compete for points based on their race time/distance compared to all other drivers. A re-grade will be done after each 2 rounds, i.e. after rounds 2 & 4.
4. Starting position for finals 1, 3 & 5 will be based on the re-grade list. Starting positions for finals 2, 4 & 6 will be based on finishing position of previous final.
5. Points will be awarded based on overall position after each re-grade i.e. 1st = 1, 2nd = 2, 3rd = 3 to last i.e. 16 if 16 drivers, with the winner being the driver with the least points after the 6th final.
6. Qualifying result will be used for a tiebreak.
