6163

Track Info

<http://www.geocities.com/ryperraceway/>

Time Table

Track opens 11:00
Scrutineering (chassis marking) 12:00
Drivers Meeting 12:45
Racing Starts 13:00
Racing finishes 15:24

Rules

1. Any sedan chassis.
2. Any 4 door sedan body.
3. Any 7.2 six-cell battery packs. All packs may use any type of connector.
4. No custom quick release systems on the chassis that have battery terminal contacts. All battery changes must involve plugging and unplugging the battery from the speed control.
5. All sedan rubber tire makes are legal.
6. Teams of 3 drivers will be drawn from two graded pools. 1 or 2 teams of four maybe created to allocate all drivers. The committee's decision is final.
7. All team members must drive
8. One member from each team must be marshalling at all times (5 lap penalty for every offence) the two/three non-racing drivers can share duties
9. Only one car per driver, drivers may not use another drivers car if theirs fails
10. Driver changes only allowed during the allocated times (every 48 minutes for 3 drivers, 36 minutes for 4 driver teams)
11. Sports tuned or Stock motors only
12. Tire, motor and speedo changes are allowed.
13. Primary car must finish the race. I.E. In the case of mechanical failure, the car may be repaired, but a back-up car is not permitted.
14. Teams will be drawn on 01/07/07; any clashes of frequency will be announced for resolution 1 week before the event.

All entries must be received by 29/06/07. Due to the complexity the format, entries cannot be accepted after this date.
