

*Control tires

This year a control tire will be used to cut costs for the racer. The control tire is the Losi Red X-2000 Part no A7369R. This tire will be used as rear tire for all 2wd and 4wd classes. Front tires both classes are open as are truck tires. There is no limit on sets used. Tires may not be cut and re-glued, to alter profile.

The control tires are available at these locations:

Shepparton Toyworld : 03 5831 2835

Albury Hobby Centre: 02 6021 1564

*Event Schedule

Racing will be held over the two days, Saturday 21st May and Sunday 22nd May.

Saturday 21st- 4wd Stock, Seniors, Modified & Truck Stock, Modified

Sunday 22nd- 2wd Stock, Seniors & Modified

*Rain Provisions

Racing will only stop if puddles form on the track. Should racing be halted during qualifying, all race results will stand, including the race immediately prior to the halt. Racing will commence with the next scheduled race when conditions permit. Every attempt will be made to complete each days scheduled racing and organisers reserve the right to alter any published race schedule to achieve that end, including not running lower finals.

*Concours

There will be a Concours event each day. The schedule will be:

Saturday 21st- Four Wheel Drive & Truck

Sunday 22nd - Two Wheel Drive

*Juniors

Juniors must be under 16 years of age on the day of their race.

*Personal transponders

AMB rc personal transponders will not be catered for.

*Race Format

Stock , Seniors and Modified- 6 cell, 5 minutes (plus time to complete last lap).

Trucks- 6 cell, 4 minutes (plus time to complete last lap).
