

2012 Big Fat Turkey Race VI

“The Revenge of the Turkey”

October 27th – 28th, 2012

General Rules

NOTE: If you enter Novice Stock Touring Car you MAY NOT enter the 17.5 Intermediate or Sportsman TC, Super Stock 13.5 TC or Open TC

Tech Inspection

The following items may be inspected in tech before each heat and main:

- Weight
- Wheels & Tires
- Body & wing dimensions (TC classes) (ROAR specs)

Motor Tech: Motors may be inspected at any time during the event at the discretion of the race officials.

Inspection may include rotor diameter, stator winding (number of turns), and any other parameter deemed necessary. Tear-down and reassembly will be the responsibility of the racer and must be done in the presence of the officials.

ESC Inspection – NO TIMING Classes

- ESC's may be inspected for no timing mode at the end of each heat. When you finish with your heat drive your car to the pit area and wait for an official to check your car. Turn your car and transmitter off and go out to turn marshal, leaving your car in impound area.

Handout Tires

Racers in a handout tire class only, will be permitted to purchase the following:

- up to two (2) sets of non-teched practice tires any time during the weekend, starting on Friday. \$20.00 per set
- up to two (2) sets of teched race tires. \$20.00 per set
- One (1) additional set of race tires if you make the “A” Main. \$20.00 per set

There are exceptions for the Novice and Intermediate classes, which receive some free tires (see below).

Novice and Intermediate Classes

The Roadrunners RC Club are sponsoring these classes. Each driver will receive one free set of tires from the Roadrunners RC Club. Your FREE set of tires will be handed out on the first day of qualifying. Your set will be marked for tech, you may purchase a second and third set of teched tires for qualifying at any time during the weekend. These will be the only tires allowed for qualifying and all mains. These drivers will also be able to buy practice sets as outlined below.

Sportsman 17.5 TC, Super Stock 13.5 TC and Open TC Classes

Drivers for these classes will supply their own tires for each class.

Mini Cooper Class

The Roadrunners RC Club is sponsoring this class. Each Mini Cooper driver will receive one free set of tires.

Each Mini driver will also have the option of buying a second set for \$20 while supplies last. The first set of tires will be handed out on the first day of qualifying. Both sets will be marked for tech, these will be the only tires allowed for qualifying and all mains.
