**COME DRIVE**

## **RADIO CONTROL TRUCKS!**

You're invited to drive your cars and trucks at the Academy of Model Aeronautics 75th Anniversary Celebration July 14 – 17th in Muncie, Indiana. Few know it, but the AMA has an amazing dirt track with tight curves, turns and jumps to test your driving skills all day long. There's even a driver's platform for a great view of the track.

For more information contact: Scott Black. (317) 281-1132.
