**TROPICAL WEATHER:**

Special note for Invited Guests; Singapore is a tropical country, we cannot control the weather, therefore we need to accommodate the weather. Each full round of Heats shall be run under similar conditions on a best effort basis. Mains shall continue to run unless there is a thunderstorm. The track facility is located within a lightning safe zone, provided by the location of the lightning arrestors in the adjacent main building. However, we shall take additional precautions to avoid racing under a thunderstorm. Drivers are advised to water proof their electronics appropriately.

---

**PROPOSED TIMETABLE:**

Before 22<sup>nd</sup> April 2006 – Uncontrolled Practice.

Invited drivers please take note, this facility is privately owned and operated, and therefore, there is a SGD \$8 per day charge per driver, at your own expense.
