Gentlemen,

Enclosed are the final results of the Midwest Series for 1986. Allow me to thank the guys at Detroit for hosting two races and doing a great job. Ken

Francisco, Rick Davis, Dennis Harris, Mark Parus and Jeff Lindeman all contributed! Thanks guys!

Also thanks to Bob Leckron and Jim Blaha for their help in conducting the Series this year.

A few observations on the Series this year in summary:

- We had the following numbers of total competitors in each class

|           |   |    |
|-----------|---|----|
| Pan Class | - | 25 |
| 2WD       | - | 35 |
| 4WD       | - | 28 |

For an all new class 4WD has done well this year.

- 2WD continues to be the most competitive class with more points scored by the top 10 runners:

|                            |   |      |     |
|----------------------------|---|------|-----|
| Pan class Top 10 Total Pts | - | 2837 | pts |
| 2WD Class Top 10 Total Pts | - | 3424 | pts |
| 4WD Class Top 10 Total Pts | - | 3102 | pts |

- It's also interesting that the top qualifiers in each class were also the points champs:

|             |     |          |     |     |
|-------------|-----|----------|-----|-----|
| R. Potempa  | 4WD | 4 T.Q.'s | 392 | pts |
| J. Przybyla | 2WD | 3 T.Q.'s | 387 | pts |
| J. Leckron  | Pan | 2 T.Q.'s | 394 | pts |

- My award for the most outstanding individual competitor for 1986 goes to Jim Przybyla. Jim wrapped up his class with only four attempts and the "rocket man" gave the 4WD runners a good race for T.Q.

Dad Lou gave him a good car so that helps, but Jim has been able to dial it up just a bit more in every race. Congrats!

- Best new competitor for 1986 goes to Stuart Kay who finished 8th overall in 2WD with 329 points- in his first year of competition.
- Most improved competitor for 1986 goes to Marty Runge who went from 12th overall in 2WD in 1985 to 3rd overall in 1986.
- We had the following number of participants at each race:

|            |      |
|------------|------|
| Chicago    | - 27 |
| St. Louis  | - 48 |
| Detroit I  | - 33 |
| Toledo     | - 35 |
| Indy       | - 35 |
| Detroit II | - 28 |

I appreciate the opportunity to have served the racers of the Midwest in my capacity as race director. Each venue put on a good race and many people worked hard to allow us to enjoy our sport this year. To all of them - a BIG thank you.

Marty Runge of Middletown, Oh. has competed in the 2WD class for several years and will be assuming the post of race director for the Midwest Series in 1987. As he and Mike Ross have also formed a club in the Cincinatti area, I expect we will add their club as a new race site in 1987. This will hopefully allow us to return to the six site format - as two series races for any club is a lot of effort. Marty will need all of our help as he will be busy next year. I appreciate his assuming this post.

A few final thoughts for 1987. At every race this year I have heard complaints about the seeding of competitors in the mains for qualifying. While no good way exists to do this, I would suggest perhaps a 5 lap single car effort to fix the board. This in lieu perhaps of the first qualifier on Saturday.

I have also heard repeated suggestions for a change in format from what has been our existing race format for several years. Perhaps a two race weekend - one on Saturday and one on Sunday? Or, some type of qualification, semi and move-up, more like the 1/8 World's format or like the World of Outlaws Sprint Cars. Whatever, I think we are ready and perhaps due for a change. I know Marty will be seeking your input and trust he will come up with a good format.

A good winter to you all, and a hearty congratulations to each of you for a great 1986 Midwest Series.

P.S. Hope you all have been following the coverage of our Series in R C News. It has been excellent! If you don't get the magazine, send me a self addressed, large, stamped, envelope and I'll send you the copies of the races you desire. With pictures!
